

Trusteer Rapport

After you log in to the application SOŽeBANKING you will see pop-up window informing you that Trusteer Rapport application is available to download:

The screenshot shows a notification window from Societe Generale Montenegro. At the top left is the bank's logo and name. Below it is the slogan "Vaš bankovni račun nije posao nikog drugog. Neka tako i ostane." in red. The main content is a white box with a rounded border containing the heading "Preuzmite IBM® Security Trusteer Rapport®." followed by three bullet points with icons: a globe for protection, a shield for antivirus, and a computer for performance. A red "Preuzmite sada" button is centered below the box. At the bottom left are links for "Saznaite više", "Demo", "Podsjeti me kasnije", and "Obavijestite IT tim". The IBM Trusteer logo is at the bottom right.

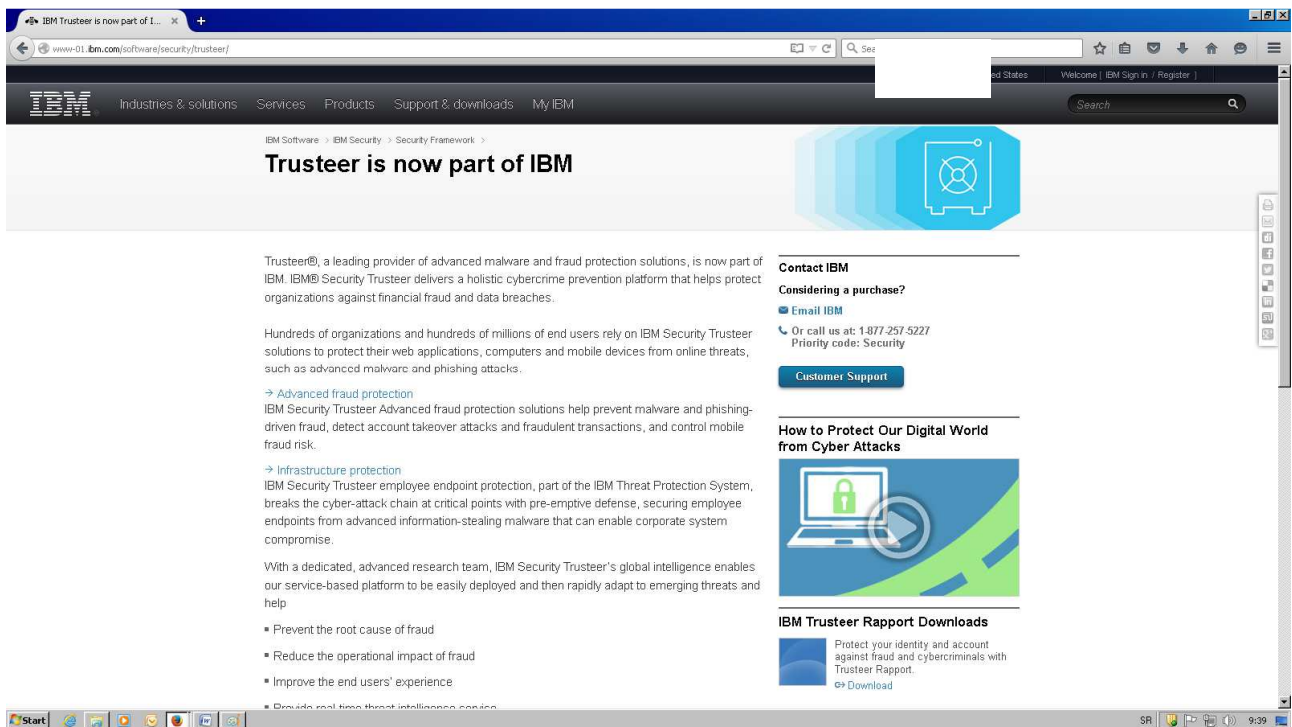

At the window, you have more options as follows:

1. Preuzmite sada - To download application
2. Saznajite više - To find out more about application
3. Demo - To view demo presenting how functions the application
4. Podsjeti me kasnije - To postpone downloading and to be remind later
5. Obavijestite IT tim - To inform your IT in order to install application

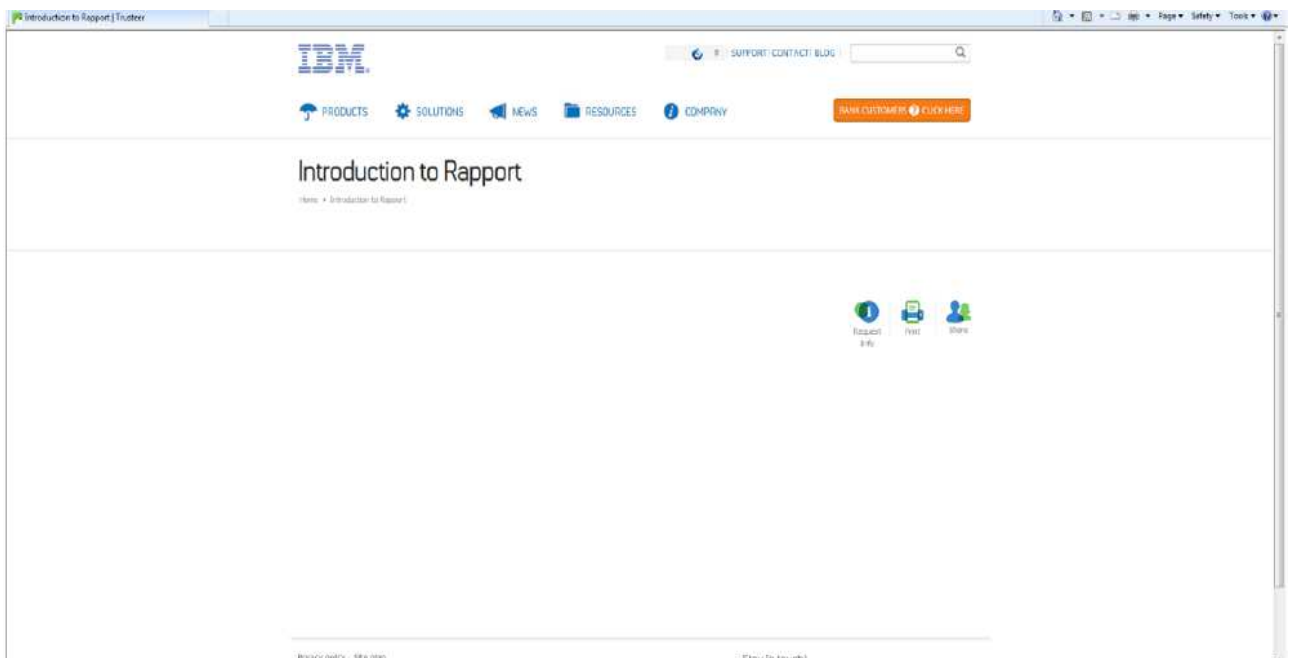

In case if you choose option **Preuzmite sada / Download Now** you will download application which will be automatically recorded on your computer. You will receive an option also **kako da instaliram / how to install** to read instruction how to install application:

The screenshot shows a confirmation window with the same header as the previous one. The main message is "Hvala što ste preuzeli Trusteer Rapport." followed by "(ne zaboravite da pokrenete instalaciju nakon što je fajl preuzet)". Below this are two buttons: "Zatvori prozor" and "Kako da instaliram?". A red "Preuzmite sada" button is at the bottom center. The same footer links and IBM Trusteer logo are present.

Choosing option **Saznajte više / To find out more about application** it will be automatically opened web site of IBM Company which is manufacturer of this application. On this web-site you may find more information about application:

If you chose option **Demo / To view demo** it will be opened web site of the IBM Company where you will be able to see how application functions:

If you click **Obavijestite Vaš IT tim / To inform your IT Team** it will be opened email containing text to inform IT if is necessary that someone of colleagues from IT install this application:
